

Mary Brill

I wish you all well for the last meeting, it is sad and just another great event when old friends meet to remember a life. Now sadly gone.

My life will also be changing at the end of July. I will be moving to a care home. Last Monday we visited a care home which is a lovely Manor House, it has a beautifully kept garden with walk ways for the elderly. I have chosen a room with a lovely little courtyard garden to sit out in. French doors out. The staff seemed lovely. One from Zimbabwe I met and another from Durban.

All best wishes.

Mary
